

International Symposium on Neurosciences

&

XXXI Annual Conference of Indian Academy of Neurosciences

October 25 – 27, 2013

Allahabad, Uttar Pradesh, India

Theme: Emerging Trends and Challenges in Neuroscience

Dear Colleagues,

It is my privilege to inform you that this year the International Symposium on Neurosciences & XXXI Annual Conference of Indian Academy of Neurosciences is being hosted by the oldest Science Academy of India, i.e. The National Academy of Sciences India (NASI), 5, Lajpat Rai Road, Allahabad, under the auspices of the Indian Academy of Neurosciences. Modern lifestyle and stress lead to several psychosomatic disorders and lifestyle diseases. Furthermore role of nutrition in brain function, brain aging, brain plasticity, basic and clinical neuroscience research and recent advancements in cutting edge neuroscience research must be deliberated in the form of plenary talks, invited lectures and scientific symposia by peers in the field.

You are requested to kindly come and join us to share your thoughts and ideas on these issues during the International Symposium on Neurosciences & XXXI Annual Conference of Indian Academy of Neurosciences to be held from October 25th -27th, 2013 at NASI, Allahabad and be an active participant to help us in improving the quality of Neuroscience research in the country and showcase Indian neuroscience to international peers.
