Preface

It gives me great pleasure in bringing out the updated membership directory of Indian Academy of Neurosciences. The last membership directory was published in 2005. Since then several new members have joined and changes in addresses and positions of some of the members have taken place.

Dr. Pankaj Seth, General Secretary and Dr. Vinay K. Khanna, Secretary (HQ) have given valuable suggestions during the revision of the directory. Inspite of our best efforts to obtain the correct addresses of the members, there may have been some errors or omission. I would request all the members to inform the change in their addresses if any, at the earliest. As some of the members have moved during this time, it is also requested to inform the correct addresses of your member colleague / friend known to you. We would update the current address in the next issue of the directory to be brought out soon. Please confirm and update your telephone and fax numbers and email to me (aka33@rediffmail.com) or the Secretary HQ (neuroscienceacademy@gmail.com).

We are confident that the members will find the directory useful. Suggestions from the members for further improvement are welcome.

With regards,

Dr. Ashok K. Agrawal
