

Preface

It gives me a great pleasure to present the updated membership directory of Indian Academy of Neurosciences (IAN). The last membership directory was published in 2000. Since then several new members have joined and changes in addresses and positions of members have taken place, which necessitated the need to update the directory. Dr. Ishan K. Patro, Vice President and Dr. Vinay K. Khanna, Secretary (HQ) have given valuable suggestions during the revision of the directory. In the updated directory, formats of application for membership and nomination of fellows, Rules & Bye laws of the Academy have also been included. In spite of my best efforts to obtain the correct addresses of the members there may have been some errors or omission. I would request all the members to inform me the correct addresses of the members known to them and also the change in their addresses at the earliest so that these could be incorporated in the next issue of the directory which IAN proposes to bring out in subsequent years. Please send your telephone and fax number and email for inclusion in the next issue of the directory to me (aka33@rediffmail.com) or the Secretary (HQ) (neuroscienceacademy@gmail.com). With this I also take this opportunity to inform that you may visit to the IAN website (www.neuroscienceacademy.org.in) for more details.

We are confident that members will find the directory useful. Suggestions from the members for further improvement are welcome.

With best wishes,

Dr. A.K. Agrawal
Treasurer
Indian Academy of Neurosciences

Brief History

The concepts of brain functions have been continuously reshaped by the discovery of the new substances which are concentrated in neural pathways. The current upsurge of interest in the nervous system occurred only recently with the development of highly refined experimental and analytical techniques that enabled studies at levels of intensity and with a precision not possible previously. The contribution of one discipline was hardly known to the workers in other disciplines. Therefore, need was felt to bring workers engaged in different disciplines of neurosciences - anatomy, physiology, biochemistry, biophysics, toxicology, psychology, psychiatry, pharmacology etc. - on a common platform where they can share their knowledge and methodology and plan future strategy for effective collaborative research.

Realizing the need for such a common platform, Late Prof. K.P. Bhargava, Director-Professor, Upgraded Department of Pharmacology and Therapeutics, King George's Medical University (earlier King George's Medical College), Lucknow in collaboration with Prof. B.N. Dhawan of Central Drug Research Institute, Lucknow and Dr. P.K. Seth of Industrial Toxicology Research Centre, Lucknow, approached eminent neuroscientists in the country to explore the possibility of establishing a Society of Neuroscience. The response to their proposal was overwhelming. Consequently, the first conference was held at the Central Drug Research Institute and the Department of Pharmacology, King George's Medical College, Lucknow on February 10 and 11, 1982. It was attended by neuroscientists from all over the country and was addressed by Prof. Merton Sandler, an eminent neuroscientist from the United Kingdom. The programme encompassed papers on basic and clinical research and discussion of a future plan.

The second annual conference was organized by Director-Professor Mahdi Hasan, at the Inter-disciplinary Brain Research Laboratory, Department of Anatomy, and the Department of Pharmacology, J.N. Medical College, Aligarh Muslim University on February 5 and 6, 1983. The conference was largely attended and was addressed by Prof. S.S. Parmar of the Department of Physiology, University of North Dakota, School of Medicine, Grand Forks, USA. The need for a continuous forum was stressed by the participants and accordingly the Indian Academy of Neurosciences (IANS) was established on February 5, 1983. The constitution of the Academy drafted by Dr. K.C. Singhal of the Department of Pharmacology, J.N. Medical College, Aligarh Muslim University, Aligarh was approved by the General Body. Also, elections to the various posts of the Executive were held.

The third annual conference of the IANS was held at Industrial Toxicology Research Centre, Lucknow. on February 4 - 6, 1984. The fourth annual conference was held jointly with the Asian Congress of Pharmacology in New Delhi on January 15-19, 1985. The Asian Congress of Pharmacology was co-sponsored by the Indian Academy of Neurosciences in addition to other scientific bodies including the Indian National Science Academy and Indian Pharmacological Society. The Academy also co-sponsored the Satellite Symposium of the Asian Congress of Pharmacology on Brain Neurotransmitter Mechanism and Hypertension held at the Department of Pharmacology, King George's Medical University, Lucknow. Subsequently, the fifth, sixth, seventh, eighth, ninth & tenth meetings were held in Aligarh (1986). Tirupati (1987), Calcutta (1988), Chandigarh (1989), Lucknow (1990) and Delhi (1990) respectively. The eleventh, twelfth, thirteenth, fourteenth and fifteenth meetings were held at Lucknow (1992), Jhansi (1994), Vellore (1995), Bombay (1996) and Bangalore (1997). During the Bangalore meeting, a symposium entitled "Molecules to Behaviour" was organised in collaboration with Neuroscience Society of India as a tribute to Prof. B.K. Bachhawat, an eminent neuroscientists of the country and Ex-President of IANS. The sixteenth, seventeenth, eighteenth, nineteenth, twentieth, twenty first and twenty second meetings were held in New Delhi (1998), Gwalior (1999), Lucknow (2001), Kolkata (2002), Udiapur (2003), Hyderabad (2004) and Gwalior (2005) respectively. Many foreign neuroscientists also participated in all these annual meetings.

In addition to organising the annual meetings at regular intervals, the Academy has been sponsoring and co-sponsoring international symposia and conferences to promote the national and international scientific activities. Following international workshops/symposia have been co-sponsored by the Academy:

1. ITRC-IBRO Symposium on Neurotoxic Substances and their Impact on Human Health, 1984.
2. Neuroscience Component of the Asian Congress of Pharmacology, 1985.
3. Indo-U.S. Workshop on Chemistry and Biology of Centrally Acting Peptides, 1987.
4. Indo-US Workshop on Current Approaches for Receptor Studies in Neurobiology (1991).
5. 2nd Congress of Toxicology in Developing Countries (1991).
6. Colloquium on cellular and Molecular Advances in Neuropharmacology (1992).
7. Colloquium on Advances in Neurotransmitter Receptors: Cellular and Molecular Mechanisms (1994).

8. Symposium on Cellular and Molecular Mechanisms of Centrally Acting Agents (1997).
9. International Symposium on Molecular Toxicology and Environmental Health (2003).

The regular features of the annual meeting are plenary lectures and symposia on current topics in neurosciences in addition to the oral and poster presentations. Workshops on techniques of neurosciences have also been organised. The annual meeting and symposia bring together basic scientists and clinical researchers to discuss many problems inherent in this area of research. The Academy encourages the participation of young scientists so that they get an opportunity to interact with eminent neuroscientists. The endeavour has been helpful to stimulate and widen their outlook for their future research. Young neuroscientists are awarded for best poster presentation by Prof. S.S. Parmar Research Foundation. Tulsabai Somani Educational Trust and Late Dr. D.M. Kar prizes are awarded for best oral presentations every year during the annual meeting. From 1996, Jyotsnamoyee Ragunath Bhattacharya prize has been instituted for the best published paper in the area of neurosciences during the year. This award is also given during the annual meeting of the Academy. During the Bangalore meeting in 1997, a decision was taken to institute an award in the memory of the late Prof. B.K. Bachhawat. The award has been started in 2003.

The Academy has gradually grown into a sizable organization of dedicated neuroscientists spread all over the country and abroad. The Academy also elects eminent neuroscientists as Fellows and Honorary Members. The Academy publishes a Newsletter (Neurosciences Newsletter) for the benefit of members and neuroscientists of the country at regular intervals and a journal (Annals of Neurosciences) from 1991. A membership directory is published and updated at regular intervals.

Office Bearers of Annual Meetings

AWARDS

The Indian Academy of Neurosciences has instituted awards to recognize the contributions of young researchers working in the area of neurosciences. The persons willing to be considered for the award can apply directly or get themselves nominated. The details of the award are given below,

B.K. Bachhawat Life Time Achievement Award in Neuroscience

Members of the Indian Academy of Neurosciences have created an endowment to give an award in the memory of late Prof. B.K. Bachhawat, one of the stalwarts of Neuroscience in India and former President of the Academy. The award is given to an outstanding Neuroscientist, on the basis of his / her research contributions. The award consists of a scroll and a plaque to be given at the time of the lecture. Free local hospitality is extended and travel may be fully or partially supported, if necessary and subject to the availability of funds. The awardee has to give an oration on the topic of his choice preferably at the annual meeting or under the auspices of a local chapter. The awardee is also required to provide a manuscript of the oration for publication in the Annals of Neurosciences.

Eligibility: The Awardee must be a Fellow/ Honorary Member / Life Member of the Indian Academy of Neurosciences and he / she should have at least a standing of 10 years in the area of Neurosciences.

Procedure: Based on the recommendation of the search committee, the Executive Committee approves the final name from the panel and the award is announced during the inaugural function of the annual meeting of the Academy.

Rules:

1. The Awardee must be a Fellow/ Honorary Member/ Life Member of the Indian Academy of Neurosciences.
2. He/ She should have at least 10 years standing in the area of Neurosciences.
3. The contributions in Neuroscience in India will be judged by: i. Research publications, ii. Awards, iii. Contributions to growth of Neuroscience in India.
4. A Search Committee consisting of the following office bearers and fellows of the Indian Academy will be constituted by the Executive committee which will consider the nominations/ propose a panel of maximum 2 Neuroscientists, preferably in order of merit: i. President, ii. General secretary, iii. Dean, iv. Editor of the Journal, v. Two Fellows of the Academy. The Dean will be the Convenor of the Committee and will invite nominations. The members of this committee and Office bearers of the year of award shall not be eligible.
5. The Executive Committee will approve the final name and award will be announced during the Inaugural function of the annual general meeting of the Academy.
6. The awardee will give an oration on the topic of his choice preferably at the annual meeting or under the auspices of a local chapter. The awardee will also provide MSS of the oration for publication in the Annals of Neurosciences.
7. The award will consist of a scroll and a plaque to be given at the time of the lecture. Free local hospitality will be extended and travel may be fully/partially supported, if necessary, subject to availability of funds.

To recognize the contributions of young researchers working in the area of neurosciences, the Indian Academy of Neurosciences has instituted awards / prizes. Persons willing to be considered for the award may apply directly or get them nominated. The Organizing Secretary before the annual meeting of the Academy brings out information for these awards as per following details.

I. **Tulsabai Somani Education Trust Award**

The award is given for best oral presentation at the annual conference of IAN by young neuroscientist and carries cash prize of Rs.1,500/- (Rupees One thousand five hundred only), memento and certificate.

Eligibility: The candidate / nominee should essentially be a member of Indian Academy of Neurosciences and below 40 years of age at the time of conference.

Procedure: Requisite copies of the abstract clearly marked as PAPER FOR TULSABAI SOMANI EDUCATIONAL TRUST AWARD should be forwarded to the Organizing Secretary before the last date of abstract submission. A copy of the abstract should also be sent to the General Secretary / Secretary (HQ). The papers awarded shall be published in the official journal of the Academy 'Annals of Neuroscience'. Work on which award has been received earlier either from the Academy or elsewhere should not be submitted for consideration.

II. **Dr. D. M. Kar Prize**

The award is given for best oral presentation at the annual conference of IAN by young neuroscientist and carries a memento and a certificate.

Eligibility: The candidate / nominee should essentially be a member of Indian Academy of Neurosciences and below 35 years of age at the time of conference.

Procedure: Requisite copies of the abstract clearly marked as PAPER FOR D. M. KAR PRIZE should be forwarded to the Organizing Secretary before the last date of abstract submission. A copy of the abstract should also be sent to the General Secretary / Secretary (HQ). The papers awarded shall be published in the official journal of the Academy 'Annals of Neuroscience'. Work on which award has been received earlier either from the Academy or elsewhere should not be submitted for consideration.

III. **Professor S. S. Parmar Research Foundation Award**

There are two awards, which are given for best papers presented in the Poster session. The award carries cash prize of Rs. 500/- (Rupees Five hundred only) and certificate individually.

Eligibility: The candidate / nominee should essentially be a member of Indian Academy of Neurosciences and below 35 years of age at the time of conference.

Procedure: Requisite copies of the abstract clearly marked as PAPER FOR PROFESSOR S.S. PARMAR RESEARCH FOUNDATION AWARD should be forwarded to the Organizing Secretary before the last date of abstract submission. A copy of the abstract should also be sent to the General Secretary / Secretary (HQ). The papers awarded shall be published in the official journal of the Academy 'Annals of Neuroscience'. Work on which award has been received earlier either from the Academy or elsewhere should not be submitted for consideration.

IV. **Jyotsnamoyee Raghunath Bhattacharya Prize**

The award is given for published research paper and carries cash prize of Rs. 1,000/- (Rupees One thousand only), medal and certificate.

Eligibility: The paper should be in the field of basic neuroscience including the disciplines - Neuroanatomy, Neurophysiology, Neurochemistry, Neuropharmacology, Neuroimmunology and Neurotoxicology and should have been published during the past 2 years with respect to the year of the award. The work should have been done in India. In case of multi-authored publication, the awardee should be the first author and at least one of the authors should be a member of the Academy.

Procedure: Requisite copies (generally three) of the reprint / paper clearly marked as PAPER FOR JYOTSNAMOYEE RAGHUNATH BHATTACHARYA PRIZE should be sent to the General Secretary / Secretary (HQ) of the Academy before the last date for peer reviewing. Work on which

award has been received earlier either from the Academy or elsewhere should not be submitted for consideration.

V. **Travel Award(s) for Young Researchers**

The Academy provides John Miller travel Award(s) that covers for a round trip II Class Sleeper travel to the candidate presenting a paper at the annual conference on competitive basis. Depending on availability of funds two travel awards may be provided.

Eligibility: The age of the candidate / nominee should not exceed 35 years.

Procedure: Interested persons should send an application duly forwarded by their mentors alongwith required copies of the abstract of paper and a certificate of II Sleeper class fare to the Organizing Secretary. A copy of the same should also be sent to the General Secretary and Treasurer (Dr. A.K. Agrawal) on or before the last date. The selected candidate(s) are informed before the conference and actual fare towards travel by II Class Sleeper is provided at the time of conference.

FELLOW

The Academy recognizes scientists who have excelled in neurosciences by electing them as Fellows. A life member or honorary member of the Academy with at least 10 years of research experience in the field of neurosciences can be nominated. Nominations on prescribed format, proposed and supported by three Fellows of the Academy, are invited along with complete bio-data before the annual meeting. Nominations should be sent to the Dean of the Academy and a copy of the same is to be sent to the Secretary (HQ) on or before the last date.

ANNUAL ELECTIONS

For different positions of the Executive Committee (EC), nominations are invited every year. The present constitution of the EC is as follows: President (1), Vice-Presidents (3), Dean (1), G

**INDIAN ACADEMY OF NEUROSCIENCES
MEMBERSHIP FORM**

I wish to become a member of the Indian Academy of Neurosciences. I have read the constitution of the society and agree to abide by it.

- 1. Name:
- 2. Educational Qualification
- 3. Address:
- Tel: (O); (Res.); Fax:
- Email:

- 4. Are you actively engaged in work related to neurosciences: Yes/ No
- 5. Field of specialization:
- 6. Type of membership* desired (Tick or circle the appropriate one):
- I. Life II. Ordinary III. Student

(D.D. number Bank Date)

- 7. Nominated by:
- Name & Membership No:
- Address:

Signature: _____ Signature of the applicant

Note:
Admission fees Rupees Five only shall be charged.
1. Subscription fees* for Life Membership is Rs. 1000/-, Ordinary Membership is Rs. 100/- and Student Membership is Rs. 50/-.
2. Ordinary and Student Membership is valid for one calendar year and shall become due on the 1st of January each year.
3. All the payment be made in cash or by demand draft in favour of Treasurer, Indian Academy of Neurosciences” payable at Lucknow and shall be sent along with the duly completed form at the following address.

Dr. A.K. Agrawal
Treasurer, Indian Academy of Neurosciences,
Industrial Toxicology Research Centre
PO Box 80, M.G. Marg,
Lucknow 226 001
